

Be part of Young Leadership, dynamic group of change-makers, a network strong enough to impact positive change in the lives of the children at Neve Hanna.

Connect with teens and young adults from across the United States. Speak about the remarkable work that American Friends of Neve Hanna does for our Mishpacha, (family) at Neve Hanna Children's Home. There is no greater mandate than to leave this world better than we found it. The obligation to perform *gemilut hasadim* (acts of loving kindness) and *tikkun olam* (repairing the world) are pervasive precepts in our work.
